Behaviour resources

Behaviour management: parents

A short video guide explaining the importance of building a relationship with parents before bad behaviour becomes an issue.

Teachers TV: Dealing with parents

This video offers practical advice to teachers and admin staff dealing with angry or upset parents.

Talking to parents

Top tips and guidance on how to ensure parents are your allies when issues arise.

Difficult parents

Strategies from TES behaviour adviser Tom Bennett to help get parents onside.

Working with parents

A series of points to consider the importance of parents and how they can be used to tackle issues in the classroom.

Parents' evening discussion form

Use this proforma at parents' evening to save time and ensure discussions with parents are recorded clearly.

Parents' evening templates

These time-saving parents' evening record sheet templates can be easily adapted to suit different stages and subjects.

Assembly

Encourage students to reflect on goals and think about future targets with this post-parents' evening assembly plan.

Interim reports

A set of comprehensive, time-saving record sheets for communicating pupils' progress to parents.

TES magazine

Strike a balance with challenging parents

Whether blasé or pushy, they can be an unsettling influence. Turn things around by offering reassurance and reinforcing the rules.

Soul-destroying disruption

A new teacher explains how they dealt with a class with on-going low level behaviour issues.

When chaos reigns, fear can be your friend

The 'big beasts' of the staffroom can strike terror into the heart of any student. Used sparingly, they are an invaluable resource.
