

# Healthcare in the Locality

## Doctors surgeries

The Medical Centre is on-campus and there are always qualified medical staff on duty should students and staff be taken ill. Staff are able to register with the school doctor (based at Newton's Surgery, Haywards Heath) and may arrange an appointment when the GP is visiting the school on Monday, Wednesday and Friday mornings.

For information about registering, or to seek any advice on other GPs in the area or health-related facilities, please contact Sister Sharon Marland (tel. 01444 893292 or [sharon.marland@ardingly.com](mailto:sharon.marland@ardingly.com))
