Staff prayer group

Members of the Common Room and others of the Ardingly College community meet one morning each week to share fellowship and pray together for the College as a whole. These meetings are very informal and are a great time to meet other Christian staff. A number of the Christian staff also organise a Christian Union (CU) each week for the students. These again are informal meetings with much fun had by all. Staff, local pastors and church workers come in to speak on various topics over lunch with the students. These meetings are a place where both students and staff can ask questions to further explore the Christian faith or if already a believer, share their faith openly. If you would like further information on either group, please contact Gwilym Batchelder gwilym.batchelder@ardingly.com or Rachel Crowe rachel.crowe@ardingly.com
