

Senior School Common Room Club

The Senior School Common Room is the committee that runs the staff common room and organises social events and functions for staff. All members of the Senior Common Room pay an annual subscription (currently £35 for full time, £25 for part time, £15 for social membership) which will be requested at the beginning of the academic year.

Full membership benefits include: reading the newspapers and magazines subscribed to by the Club; making use of the television, snooker and bar facilities in the Senior School Common Room; attending social functions organised by the Club; being represented by one or more of the officers of the Common Room in the unlikely event of disputes with the management of the College; donations towards presents and gifts to members of the community; and voting at the Club's AGM, or other meetings as well as on other matters of concern including salary issues.

If you have any questions concerning membership please contact either of the officers listed below:
